

A VISION FOR YOU

Our book is meant to be suggestive only. We realize we know only a little. God will constantly disclose more to you and to us. Ask Him in your morning meditation what you can do each day for the man who is still sick. The answers will come, if your own house is in order. But obviously you cannot transmit something you haven't got. See to it that your relationship with Him is right, and great events will come to pass for you and countless others. This is the Great Fact for us.

Abandon yourself to God as you understand God. Admit your faults to Him and to your fellows. Clear away the wreckage of your past. Give freely of what you find and join us. We shall be with you in the Fellowship of the Spirit, and you will surely meet some of us as you trudge the Road of Happy Destiny.

May God bless you and keep you—until then.

PREAMBLE

We are a fellowship of addicts who meet together to share our experience, strength and hope for the purpose of staying clean and helping other addicts achieve the same freedom. Everything heard at our meetings is to be treated as confidential. There are no dues or fees of any kind. To be a member, you only have to want to quit and show up. We also exchange phone numbers, and give and seek support from one another between meetings.

Everyone in these rooms is here because he or she has a desire to stop using cocaine and all mind-altering substances.

Our program, called the 12 Steps of Recovery, is gratefully borrowed from Alcoholics Anonymous, whose more than 65 years of experience with substance abuse teaches us that the best human help an addict can receive is from another addict.

We welcome newcomers to CA with more genuine warmth and acceptance in our hearts than you can probably now imagine, for you are the lifeblood of our program. In great part, it is by carrying the message of recovery to others like ourselves that we keep our own sobriety.
