**Statement of Purpose:** To carry a clearly defined message of unity at unity activities in the interest of raising the awareness and importance of unity.

## **Unity Statement**

Unity is a common bond that transcends all differences.  
By sharing our experience with other addicts and working the Twelve Steps of C.A., we come to know humility, security, acceptance, and self-worth.

**Recovery is possible - together.**

**Unity** preserves our C.A. fellowship. – Same meeting anywhere in the world.

**Unity** preserves our legacy of Hope, Faith, and Courage. - By sharing our common bonds or experiences and following our Primary Purpose.

**Unity** preserves our personal recovery, our reunited families, and our rediscovered dreams. – United we stand, divided we fall.

## The Unity Link

Cocaine Anonymous is a diverse group. Our membership reaches all socio-economic classes from Park Place to park benches.

*The purpose of the Unity Committee is to enhance communication and outreach among diverse elements within the fellowship of Cocaine Anonymous in the interest of carrying the message to the addict who still suffers and promoting C.A. Unity.*

The group is guided by the 12 traditions. This committee was organized under the First and Third Traditions of Cocaine Anonymous. Our First Traditions tells us that, as a group, our recovery depends upon CA Unity and our Third Tradition tells us that the only requirement for membership is a desire to stop using cocaine and all other mind-altering substances.

Diversity is not a source of weakness in our fellowship, but the source of strength.

All are welcome.

If you are interested in more information regarding Unity in your area, contact the Cocaine Anonymous World Service Conference Unity Committee via e-mail at the C.A. World Service Office <unity@ca.org>. (Also see page 11)

## **Suggestions on Dealing with Diversity**

The CAWSC Unity Committee grew out of a meeting of the “Minority Caucus” at the 1991 WSC. It was the near unanimous sentiment of the delegates that bias within the fellowship is harmful to C.A. as a whole. These biases include:

- Racial
- Economic Diversity
- Sexual Orientation
- Physically and Mentally Challenged
- Cultural Diversity
- Chronic/Terminal Illness
- Gender
- Age
- Religion

The First Tradition tells us that our personal recovery depends upon C.A. Unity. Tradition Three reminds us that C.A. exists for all who desire to stop using cocaine and all other mind altering substances.

As a committee, we believe that there is a need to develop awareness regarding the types of problems and the biases, as listed above. We recognize that the committee is advisory only. We can make suggestions, but not directives regarding Unity and Outreach.

There is an overriding principal, which is a solution to every Unity issue – that is Love and Tolerance.

## A Facilitators Guide for Grievance Resolutions Suggested Meeting Format

1. Open with a prayer of choice.
2. Reading the 12 Steps of C.A.
3. Reading of the 12 Traditions, followed by: "Traditions are to the group what the steps are to the individual".
4. Reading of the Unity Committee Statement Purpose:  
*To enhance communication and international outreach among diverse elements within the fellowship in the interest of carrying the C.A. message and to promote C.A. Unity.*
5. State the goal of the Unity Committee:  
*To put the survival of C.A. as a whole "#1" as is stated in the First Traditions. (i.e.: My responsibility as a recovering addict in this fellowship is to play a part in its survival and to be aware of my actions as they affect C.A. as a whole.)*
6. Open the meeting for Participation:  
It's important to be impartial  
Allow the answers to come from the group  
We do not dictate answers – the solutions must come from within the group  
Listen for finger-pointing, blame accusations  
After stating the problem:  
Ask what steps have been taken to solve the problem on a group level, such as:  
Consult the group GSR  
Consult group secretary  
Get a group conscience etc....  
Ask what steps the individuals have taken (Ask them what they have done personally. Are they part of the problem or part of the solution?)
7. At this time encourage participation from the group  
Listen carefully to the discussion; remind yourself that the answers must come from within the group.  
Answers may have been voiced in the discussion
8. Ask the group: To what length are they willing to compromise in order to implement the solution?  
The solution may have to come from God... accepting those things we cannot change
9. Close with the prayer of choice followed by "**God's will be done, not mine**".

NOTE: This guide is for a meeting facilitator. If you have questions, please contact a member of the CAWSC Unity Committee through the World Service Office.
